Re: Application # 09/961,149

Filing date: 09/24/2001

Examiner: NGUYEN, TUAN DUC

#10  
10/4/03  
OK

I am studying the Official Action of 08/25/2003 where it appears under p. 13 ) that my claim for International Priority from my Swedish prior application has not been recognized. I have indeed sent you a copy of my Swedish application, certified by the Swedish Patent Office. I would appreciate your immediate control.

Please note that this is not a response to the above-mentioned Official Action.
